Educatieve video's: didactische tips

Hoe kijken studenten video's?

Voeg vragen toe

The screenshot displays the Canvas LMS interface for adding questions to a video recording. On the left, a sidebar contains navigation options: 'Quiz' (selected), 'Details', 'Scores', and 'Experience'. The main area shows a video player with a 'Kaltura Capture recording - september 23ste 2020, 5:06:...' title. A 'Preview' button and a 'Done' button are visible. The video player shows a 'How to make Canvas Student Friendly' video with a 'Knowledge Clip' overlay. The overlay lists four question types: 'Multiple Choice' (Question with only one correct answer), 'Reflection Point' (A video pause combined with text), 'True/False' (A question with only 2 options- True or False), and 'Open-Ended Question' (Answer the question with your own words). A large blue 'Add a Question' button is overlaid on the video. The video player controls show a progress bar at 00:00 / 00:47 and a volume control. At the bottom, a timeline shows the video's structure with a '00:00.00' marker and a waveform visualization.

Laat studenten samenwerken

The image shows a screenshot of an interactive video player. The main video frame displays a woman with dark hair, wearing a colorful, patterned sleeveless dress, speaking on a stage with a red background. A large play button is centered over the video. In the top left corner of the video player, the text "Interactive Video" is visible. In the top right corner, there are icons for "VIEW ORIGINAL", "DONE", and a notification bell. Below the video frame, a comment overlay is visible, showing a comment from "Mike Curry" (MC) posted "10 minutes ago". The comment text reads: "I could use some additional info for this. Why are they using these images to teach AI?". Below the comment, there is a "REPLY" button and a notification that "(2 replies)". The video player's progress bar at the bottom shows the video is at 1:32 out of 18:02. A red circular button with a white arrow is also visible on the right side of the video frame.

This screenshot shows a detailed view of a comment thread. At the top, it says "Comment". The comment is from "Mike Curry" (MC) and was posted "10 minutes ago". The comment text is: "I could use some additional info for this. Why are they using these images to teach AI?". Below the comment, there is a "REPLY" button and a notification that "2 replies". At the bottom of the comment thread, there is a "Write a reply" button and a "Write a reply" input field. A red circular button with a white arrow is visible on the right side of the comment thread.
